SWEET POTATO MAPLE BROWN BUTTER GNOCCHI

INGREDIENTS

Kosher salt	1 ½ cups low-sodium chicken or vegetable broth
2 (1-lb.) gnocchi packages	1 cup canned sweet potato puree
¾ cup (1 ½ sticks) unsalted butter, divided	1 Tbsp. maple syrup
¾ cup packed fresh sage leaves	Freshly ground black pepper
4 garlic cloves, finely chopped	2 Tbsp. heavy cream
	Grated parmesan and crushed red pepper flakes, for serving

DIRECTIONS

- 1 In a large pot of boiling salted water, cook gnocchi, stirring occasionally, according to package instructions until al dente. Drain.
- 2 Meanwhile, in a small pot over medium heat, melt 1/2 cup (1 stick) butter. Once melted, reduce heat to medium low and continue to cook, watching closely and stirring occasionally, until butter simmers and starts to turn golden. Once simmering stops and butter is golden and smells nutty, let cool about 5 minutes.
- 3 In a large, high-sided skillet over medium heat, melt remaining 4 tablespoons butter. Add sage and cook, stirring occasionally, until leaves are crisp and butter is light golden, 2 to 3 minutes. Transfer sage to a paper towel-lined plate, leaving butter in skillet. Add garlic and cook, stirring, until fragrant and light golden, about 30 seconds.
- 4 Whisk in broth, sweet potato puree, and maple syrup and bring to a boil; season with salt and black pepper. Cook, stirring occasionally, until slightly thickened, about 1 minute. Stir in gnocchi and cream and cook, tossing a few times, until coated, about 2 minutes; season with salt and black pepper. Top with Parmesan, red pepper, crispy sage leaves and browned butter.
