Description

Experience the perfect blend of country living and modern comfort in this beautifully renovated bi-level, set on nearly 40 acres in Rockwood, only about 12 minutes from the Perimeter! This spacious home features 6 bedrooms, 3 bathrooms and a fully finished basement, providing ample room for a growing family or guests. The inviting kitchen boasts abundant cabinetry and convenient access to the deck, creating an ideal space for everyday living and entertaining. A double attached garage adds practicality, while the large storage shed offers additional space for equipment, tools and outdoor essentials. Enjoy the privacy, space and endless possibilities that come with acreage living, all within easy reach of city amenities. A fantastic opportunity to enjoy a beautifully updated home with room to live, work and play! Photos 4, 10-12, and 15-16 are virtually staged.
