Description

Situated on 1.33 nicely treed acres in Springfield, this spacious 2,052 sq. ft. home offers an excellent opportunity for buyers looking to renovate, personalize, and bring their vision to life. Featuring 4 bedrooms, 3 bathrooms, a finished basement, and a double attached garage, the property offers plenty of space and a functional layout with room to make it your own. Surrounded by mature trees, the spacious lot provides a peaceful setting with outdoor space to enjoy. If you're looking to create your dream home, this property offers an abundance of potential in a desirable Springfield location. A great opportunity for buyers ready to unlock its possibilities!
